

### Telling the "Truth", Vignette 3

Jeffrey:                                        You can prevent HIV by using these types of birth control or reduce the chances by male circumcision.

*Students in class get angry and leave the class abruptly.*

Jeffrey:                                        Dr. Zao, why are the students so upset and leaving the class? It's just information.

Dr. Zao:                                       Jeffrey, you cannot give everyone the whole truth. Male circumcision is not discussed here.
